Design UI/UX.

Troubleshooting.

Learn new technology fast.

TECH STACK

HTML, SASS, ReactJS, Angular, Svelte, NodeJS

Typescript, Python, Go, Lua.

OUTSIDE OF WORK

I recently started my blog website, where I write about my learning.

I'm a CFA candidate and I like to research financial stuff .

Swimming is my favorite sport. I like to just relax and do nothing on water, it feels like flying.

I'm also a 10-years Starcraft player. Please connect to play with me :)
